Exterior Features

|                                                                                  |
|----------------------------------------------------------------------------------|
| ✔ Automatic headlights                                                           |
| ✔ Black door handles                                                             |
| ✔ Black front and rear bumpers                                                   |
| ✔ Daytime running lights                                                         |
| ✔ Electrically adjustable + heated door mirrors                                  |
| ✔ Electrically operated front windows with safety autoreverse one touch facility |
| ✔ Flexible roof mounted aerial                                                   |
| ✔ Halogen headlights                                                             |
| ✔ Hazard warning lights                                                          |
| ✔ High beam assist                                                               |
| ✔ Magic wash system                                                              |
| ✔ Nearside sliding side access door                                              |
| ✔ Reversing lights                                                               |
| ✔ Side protection mouldings                                                      |
| ✔ Solar heat absorbing windscreen                                                |
| ✔ Tinted windows                                                                 |
| ✔ Two speed windscreen wipers with variable intermittent wipe                    |

Interior Features

|                                                                                      |
|--------------------------------------------------------------------------------------|
| ✔ 12 volt socket in dashboard                                                        |
| ✔ 6 way adjustable drivers seat with lumbar                                          |
| ✔ Air recirculation system                                                           |
| ✔ Driver and front passenger sun visor and vanity mirror on rear of drivers sunvisor |
| ✔ Driver's armrest                                                                   |
| ✔ Driver's top lidded glovebox                                                       |
| ✔ Fabric upholstery                                                                  |
| ✔ Hard plastic floor protection in cabin                                             |
| ✔ Manual air conditioning                                                            |
| ✔ Overhead storage shelf in cabin                                                    |
| ✔ Reach and rake adjustable steering column                                          |
| ✔ Six Fixed floor mounted load restraint lashing eyes                                |
| ✔ Sport steering wheel                                                               |

Passive Safety

|                                                                                                                                         |
|-----------------------------------------------------------------------------------------------------------------------------------------|
| ✔ Deactivation switch for front passenger airbag and side impact airbag                                                                 |
| ✔ Driver and front passenger airbags, side impact airbags and curtain airbags                                                           |
| ✔ Energy absorbing steering column, Side impact protection beams, Reinforced passenger safety cell and front and rear deformation zones |
| ✔ Front body lock diagonal seatbelt pretensioner system                                                                                 |
| ✔ Front seatbelt force limiters                                                                                                         |
| ✔ Height adjustable front seatbelts                                                                                                     |
| ✔ Seatbelts with action                                                                                                                 |
| ✔ Tyre pressure monitoring system                                                                                                       |

Security

|                                                                             |
|-----------------------------------------------------------------------------|
| ✔ 2 folding keys with integral remote control function                      |
| ✔ Dashboard mounted central locking push button and auto locking above 7mph |
| ✔ Electronically protected audio                                            |
| ✔ Engine deadlock immobiliser                                               |
| ✔ Remote central locking and deadlocks                                      |
| ✔ Remote control operates on doors and fuel filler                          |
| ✔ Visible Vehicle Identification Number (VIN)                               |

Technical

|                                                                                                  |
|--------------------------------------------------------------------------------------------------|
| ✔ Advanced emergency braking system                                                              |
| ✔ Anti-lock braking                                                                              |
| ✔ Anti-roll bar                                                                                  |
| ✔ Electronic brake force distribution                                                            |
| ✔ Electronic Stability Control (ESC) with traction control                                       |
| ✔ Engine drag torque control                                                                     |
| ✔ Hill start assist                                                                              |
| ✔ Independent MacPherson front suspension with gas pressure dampers and linear-rate coil springs |
| ✔ Rear torsion beam with gas pressure dampers and variable rate coil springs                     |
